VALICOM PARTNERS WITH ACR SOLUTIONS, LLC TO DELIVER TEM SERVICES TO AGENTS

*Designed to Add Recurring Revenue and Customer Satisfaction for
Existing Master Agents & Consultants*

MADISON, WI, May 4, 2018 – Valicom Corporation is excited to announce a new partnership with ACR Solutions, LLC. This partnership will allow agents to leverage telecom and technology life-cycle management with custom-branded tools and back-office expertise. The endorsement and collaboration with Valicom/ACR Solutions, LLC will provide an industry-leading resource and drive recurring revenue by securing additional services.

Agents, Consultants, VARs, and MSP's can now leverage TEM software for telecom and technology visibility by building inventory and managing invoices in one central repository. Agents will be able to drive more carrier sales and cater further to their clients with these add-on services. Customers feel more secure with having easy visibility and access to all

billing/contracts and telecom expertise. In addition, agents have the option to white label the software to their company's design and can also choose to utilize the back-office support and TEM knowledge brought by ACR Solutions, LLC & Valicom.

-MORE-

Clients leveraging telecom and technology expense management services experience a savings between 15% - 40%.

About Valicom Corporation
